PLAY GALLERY QUEST

START GAME

Win the game,
Claim your fame!

Transform your home into an adventure in minutes with our interactive scavenger hunt designed for explorers aged 8–10.

Kids use a phone or tablet to scan cards, crack codes, and track down hidden treasure. It's the perfect way to turn screen time into active "get up and move" time.

Simple Setup

1. Print this sheet and cut out each individual card.
2. Place the cards in the secret locations listed on your white **Host Briefing** card.
3. Hide a real treat or alongside the final purple **PRIZE** card.
4. Hand the blue **START GAME** card to your child to begin their journey.
5. Kids scan the cards with a device to solve puzzles and follow the interactive trail.

A New Challenge Every Month

This is a Demo Quest. Every month, we update the puzzles and hiding spots for this exact card set to keep the mystery alive.
